

Spread the Word, Save a Life!!!

Majority of people aren't prepared for the unexpected. We live in a world where anything could happen unexpectedly. Earthquakes, Floods, Natural Disasters, Accidents, or even violent attacks can all happen in an instant.

Be prepared: Download **iEmergency+** and this Medical ID card

As a result, we are asking all iPhone owners to download **iEmergency+**. If you don't have an iPhone, please at least print out this medical ID card and **SPREAD THE WORD, SAVE A LIFE.**
